5. WSCC Report

Cty Cllr Brown reported on the Chancellor's announcement of a major change to the current Business Rate structure, whereby in future local councils will retain a larger percentage of the rates they collect. Commensurately, the Revenue Support Grant currently distributed back to local councils from the Treasury, will be phased out by 2020. The Chancellor also announced that the Local Government Pensions Funds will be amalgamated and managed rather like an ISA. Using money from these pension funds, six new Wealth Funds will be created to invest money in infrastructure projects. Some redistribution of funds will also be made to channel money from richer funds to poorer funds. This will disadvantage the wealthier pension funds, such as West Sussex, which has been very successfully managed in the past few years.

6. CDC Report

Cllr Mrs Neville reported on ongoing discussions regarding *The Hyde Group's* management of the former CDC housing stock.

Members discussed car parking charges and new stores opening in Midhurst.

7. Questions from Visitors

None

8. Planning Applications

Comments on those applications as set out in Appendix A, were resolved.

- c. A Budget Update had been circulated, Appendix D.
- **d.** External Auditor's Report. This had been previously circulated and was on the website. Members were pleased to note that the Auditor had made no comment on the Council's accounts.

b. Newsletter

Cllr Imlach circulated a draft of the next edition, inviting comments.

c. Events

d. Village Hall

Cllr Imlach gave an update on the external redecoration. The Clerk reported that the Council's bid for New Homes Bonus (NHB) funds towards resurfacing the driveway, had been approved. One of the conditions was that the view of the SDNPA must be sought as to whether the work required planning permission. Cllr Craig kindly agreed to take some photos in daylight, to assist the Clerk meet this condition. RESOLVED that the conditions be accepted and that the Clerk be authorised to sign accordingly.

e. Highways

Cllr Imlach commented on how the new list of contacts in the highways department will make it easier to *pin down* officers. He was now the authorised coordinator of *Cocking Speedwatch*; the list of volunteers was still being finalised.

The Chairman reported that the garage had kindly agreed to house a small winter grit-spreader. The cost would be £140.00; to be discussed at the next meeting.

It was reported that lorries servicing the quarry at Pendean were causing no disturbance to local residents.

f. Footpaths

It was hoped that Naomi Barnet, the Footpath Warden, would be able to attend the next meeting.

g. Bumblekyte

Local volunteers would be approached to install a concrete base for a seat. Prices and designs for the seat would be considered at the next meeting. The fence was tatty and WSCC was being chased to improve it; it was an otherwise very attractive area.

h. The Croft

It was suggested that a Residents' Association be formed.

i. Website

Members commented favourably on the recent changes to the Parish Council pages on the website, ensuring that it should satisfy the new Transparency Code requirements.

j. South Downs Way Facilities

Cllr Craig kindly agreed to submit a comment to the current SDNP Local Plan consultation, on the need for improved facilities at the car park, to cater for increasing numbers of organised cycle rides traversing the SD Way, in conjunction with better arrangements to be made in advance for such occasions.

11. 2016-17 Projects and Budget

Members suggested:

Improvements to the Village Hall Car Park.

Seeking new tenders for grass-cutting.

Mole management.

Refurbishment of the Bus Shelter at The Croft.
